PLEASE READ THE FOLLOWING CAREFULLY:

Welcome to the Women's Humane Society.

Please print your name: _____ Date: _____

We hope that we can help you find the right family pet. We ask that you fill out the following application carefully and completely. The application form is designed to help us make the best placement possible; the right home for each pet and the right pet for your home.

There are some days when the adoption process can take 1 -2 hours: talking with our adoption counselors, meeting and socializing with the pet you are interested in, reviewing the follow-up services we provide and the responsibilities you will assume. Questions and answers about proper food, cage, needs etc... can take time, but is time well-invested when you consider a well-cared for pet may live many years. So we ask for your patience and cooperation in the joyful process of bringing people and animals together.

Before going to our small animal area, please read the following section carefully. In order to be considered as an adopter today, you must;

- Be 18 year of age or older.
- Have current identification showing your age and present address.
- Be willing and able to provide training, medical care and loving attention for a small animal.
- Ask our Adoption Counselor about fees.

Understand that the Women's Humane Society reserves the right to deny any adoption application.

Although you are welcome to browse through the kennels with an escort, complete the application and speak to a counselor before visiting with any particular pet, There are health and personality profiles along with the background information available on almost every animal at the adoption desk. Our Adoption Program Counselors are available to provide additional information and direction in the selection of a shelter pet.
